

# THE ROLE OF FAMILY & COMMUNITY

At Prescott Primary, we see ourselves as a home from home where children, their families, staff and visitors feel welcome, trust each other and have special, supportive relationships.

In our school, we nurture a culture of mutual respect and co-operate with each other, striving for the best outcomes for our learners. We recognise that family roots are important to understand and so we prioritise communication with parents, gaining key information for us to build clear pictures of the children in our care.

It is a shared responsibility.

Prescot Primary is a unique place to learn, work and visit. Everyone is valued and recognised for what they add to our school family.
