Please ensure that you give your registration into the main office, as we may sometimes need to ask you to move your car.

Parents/Carers are not allowed to park on school premises unless agreed by the Senior Management Team.

MOVEMENT AROUND SCHOOL

We have a fob/passcode system in place to access external doors. Please ensure that these doors are closed after transition from one area to another.

The safety of our children is our prime concern.

Please ensure that your lanyards are returned to the school office before you leave the building.

Para. 2

Safeguarding and promoting the welfare of children is **everyone's** responsibility. Everyone who comes into contact with children and their families and carers has a role to play in safeguarding children. In order to fulfil this responsibility effectively, all professionals should make sure their approach is child-centred. This means they should consider, at all times, what is in the **best interests** of the child.
