## Attendance Update - Spring Term 1, 2022

17th February 2022

Dear Parent/Carer

After an extended time of disruption we are finally entering a much welcomed settled period of school life and routine. It is important that pupils attend school to give them the best chance of success for the rest of their lives. Their journey to success starts with us working together to make sure they get the best out of every single day! Any time off school can affect your child's progress. Time off should only be due to genuine illness. Reception and Year 1 children need to be here every day so that they can learn to read and count as quickly as possible!

100%	0 Days Absence	190 School Days	Great!	
96%	8 Days Absence	182 School Days	Well done!	
90%	19 Days Absence	171 School Days	Worrying	PA
85%	29 Days Absence	161 School Days	Worried	PA
80%	38 Days Absence	152 School Days	Concerning	PA
75%	47 Days Absence	143 School Days	Concerned	PA

PA = Persistent Absentee - The school may contact you should your child's attendance fall below 96%.

You can check your child's attendance when you login in to the Arbor Parent Portal.

**The school can authorise the absence of a child due to sickness, exceptional family circumstances and medical appointments. The school CANNOT authorise absence for holidays and parents can receive a penalty notice from the local authority for taking their child on holiday in term time.**

Please download our quick guide to attendance from the school website for more information
